Alan Tulppo, Superintendent

Tammy Gibson, Business Manager

April 19, 2018

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2016-17 educational progress for the Ewen-Trout Creek Consolidated School District and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Alan Tulppo for help if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting the following web site <https://goo.gl/kz42Pw>, or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

**Student Assessment Data** – Includes the following three assessments: M-STEP (Michigan Student Test of Educational Progress), MI-Access (Alternate Assessment), and College Board SAT. Presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and science for grades 4, 7, and 11, compared to state averages for all students as well as subgroups of students. The report helps users to understand achievement performance within grades and schools, and to make comparisons to district, state, and national achievement benchmarks.

### **Accountability – Detail Data and Status**

The accountability portion of the AER includes assessment proficiency and participation rates, graduation or attendance rates, as well as accountability index values showing school performance on a 0-100 scale.

### **Teacher Qualification Data**

- Identifies teacher qualifications at district and school levels
- Reports percentage of core academic classes taught by teachers not considered highly qualified to teach such classes

### **NAEP Data (National Assessment of Educational Progress)**

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

Review the table below listing our schools. For the 2016-17 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no status label is given.

School Name	Status Label	Key Initiative to Accelerate Achievement
Ewen-Trout Creek K-12	No Label	No Initiative Needed

The staff at the Ewen-Trout Creek Consolidated School District are committed to providing students with a challenging and engaging curriculum and opportunities to be successful. The staff have been collaborating on ways to provide students with opportunities to challenge themselves, both in the classroom and in other areas of student life in the Ewen-Trout Creek School District. Beginning with the 2016-2017 academic year, students gained greater access to new elective courses, including STEM classes, foreign languages, art instruction and CTE programming that provided with opportunities to determine where their future lies. During the 2017-18 school year, the staff have been developing interdisciplinary learning opportunities that incorporate reading and math across the curriculum. The staff at Ewen-Trout Creek are to be commended for the efforts they have made to help their students grow academically, socially and emotionally. They embody the school district's motto of "Educating the Child and Enriching the Community."

Sincerely,

Alan Tulppo  
Superintendent
