This agreement entered into this 26th day of June, 2019 , by and between the Ewen-Trout Creek Consolidated School District Board of Education (hereinafter called the *Board*) and the Ewen-Trout Creek Education Association (hereinafter called the *Association*) shall be in effect from July 1, 2019 until June 30, 2022.

WHEREAS the Board and the Association recognize and declare that providing quality education for the children of the District is their mutual aim and that the character of such education depends in large measure upon the quality and morale of the teaching service, and

WHEREAS the Members of the teaching profession are particularly qualified to assist in formulating policies and programs designed to improve education standards, and

WHEREAS the Board has a statutory obligation, pursuant to Act 379 of the Michigan Public Acts of 1965 to bargain with the Association as representatives of its teaching personnel to hours, wages, terms and conditions of employment,

THE PARTIES, following extended and deliberative negotiations, have reached certain understandings which they desire to memorialize, to wit:

ARTICLE I - RECOGNITION

- A. The Board is the sole governing body for the schools within its jurisdiction. Its powers and authority derive from laws of the State of Michigan. Its members are elected representatives of the people of the district which it serves. Though the Association claims the right of petition and right to give advice in the areas of its competence and interest, it recognizes the position of the Board as the lawfully constituted trustee for the public interest and the duly constituted authority for the determination of school policy.
- B. The Board recognizes the negotiations committee certified as the exclusive bargaining representative as defined in the Michigan Public Employment Relations Act, as amended, for all regular contracted professional teaching personnel.
- C. The Board agrees not to negotiate with any teacher organization other than the Association for the duration of this agreement.
- D. Nothing in this Agreement shall be construed to prevent any teacher from individually presenting a grievance and having the grievance adjusted without intervention of the Association providing that the adjustment is not inconsistent with the terms of this agreement, and providing further that the Association through its negotiation committee has been fully advised and informed so as to protect its interest under this Agreement.
- E. Nothing contained herein shall be construed to deny or restrict to any teacher any rights he/she may have under the Michigan Revised School Code. An alleged violation of Michigan or Federal statutory or regulatory law (including constitutional provision) is not subject to the grievance process. Instead the alleged violation may be processed through appropriate agency or judicial enforcement of the law (s) in question.
- F. The Association and its members shall have the privilege of the use of school buildings and facilities and equipment according to the policies and regulations adopted by the Board of Education for community use of school buildings.
- G. The Board will furnish to the negotiations committee, negotiating for the Association, such public data that is available as is necessary in assisting the Association in developing intelligent, accurate, informed and constructive proposals or processing any grievance or complaint. The Board's obligation is limited to reasonable requests.

ARTICLE II - FINANCIAL RESPONSIBILITIES AND PAYROLL DEDUCTIONS

- A. Upon appropriate written authorization from the teacher, the Board shall deduct from the salary of any teacher and make appropriate remittance for annuities, credit union, savings bonds, charitable donations, or any other plans or programs jointly approved by the Association and the Board. These programs shall be limited to those approved prior to September 1, 2003.

ARTICLE III - PROFESSIONAL COMPENSATION

- A. The salaries of teachers covered by the agreement as set forth in Schedule A shall constitute an integral part of the agreement and shall be in effect July 1, 2019 June 30, 2021.
- B. The salary schedule is based on a normal weekly teaching load during normal teaching hours. Normal teaching hours shall be defined as seven (7) hours per day, specific times being specified by the Board. For extra work and/or time spent after the normal school day required by the administration, there shall be additional compensation. These additional duties shall be on a scheduled basis as in Schedule B attached. If an item is not covered in Schedule B, representatives of the Board and the Association shall meet for the purpose of mutually agreeing to a compensation and such item and its compensation shall be added to Schedule B.
- C. The Association recognizes the value of various meetings between the staff, or parts thereof, and the Administration and/or Board and agrees that no additional compensation will be paid for these meetings.

D. Professional Advancement:

The following paragraph applies to any bargaining unit member employed by the District during the 2004-2005 school year: A certified teacher, by provisional or permanent or life certificate, shall (upon satisfactory proof) be reimbursed for semester hours of graduate value to the extent of one-half (1/2) the cost of tuition which the teacher has paid and had not, nor will not, be reimbursed from any other source. This payment is to be made upon return to the district in September for credits earned during the previous school year.

The following paragraph applies to any new bargaining unit member employed to teach during the 2005-2006 school year or later: A certified teacher employed under a provisional certificate shall (upon satisfactory proof) be reimbursed for up to eighteen (18) semester hours of graduate value to the extent of one-half the cost of tuition which he himself has paid and for which he has not, nor will not, be reimbursed from any other source. Upon becoming eligible for Professional certificate, this initial benefit terminates. Once the teacher has received their Professional certificate, the teacher shall (upon satisfactory proof) be reimbursed for up to six (6) semester hours of graduate value every five (5) years to the extent of one-half (1/2) the cost of tuition which the teacher has paid and has not, nor will not, be reimbursed from any other source. This payment is to be made upon the teachers return to the district in September for credits earned during the previous school year.

Upon becoming eligible for movement from one track to another, the teacher shall notify the administration in writing with appropriate documentation for placement on a new track. If this eligibility occurs during the school year, such new placement will be made at the beginning of the next semester, with new salary beginning upon such placement.

- E. **Pay Period:** Ten (10) or twelve (12) month basis payable every other Friday or on the last day of the school week beginning the second week of the school year.

F. **Extra Compensation for Extra Teaching Load:** A teacher who is asked to teach an additional class beyond the normal teaching load, will, if the teacher agrees to, be compensated at a rate of \$2,500 for each additional class taught. No full-time teacher will be asked to take a teaching overload if there are qualified part-time teachers available. Teachers asked to cover a class for another teacher during a preparation period, if the teacher agrees to, will be compensated at a rate of 1/7 of the base pay of Schedule A per day.

These rates are compensated on a teacher contract year based upon the number of student contact days in the school calendar plus any mandatory in-service days.

G. If an elementary teacher is required to teach a split grade class, he/she will be compensated at the rate of \$2,500 per year.

ARTICLE IV - CONDITIONS OF EMPLOYMENT

- A. The Board recognizes that teachers spend considerable time beyond the normal school day in lesson planning, class preparation, paper grading, grade computation, and a multiplicity of duties that requires time well beyond a forty (40) hour week. With this in mind, the Board will not require a teacher to normally spend more than seven (7) hours per day or thirty-five (35) hours per week on the school premises. For grades 7-12, the hours shall include a maximum of thirty (30) student contact periods per week, five (5) unassigned preparation periods per normal week, and a duty-free lunch of not less than thirty (30) minutes each day. Each elementary teacher shall be given five (5) preparation periods per normal week. In the event of cancellation of Art, Band, Gym, etc., an aide will be assigned whenever possible. There may be "emergency" situations, however, where assignments are impossible.
- B. What constitutes a normal school day and normal teaching loads, shall be negotiable matters. An approximation of twenty-five (25) students per class, per teacher shall be the general goal as to maximum class size, keeping in mind the facilities and situation.
- C. The Board recognizes the very high desirability of providing a duty-free uninterrupted lunch period for all teachers, one (1) period per day free of class teaching or study hall supervision for secondary teachers, and a fifteen (15) minute relief time per day for elementary teachers.
- D. The Board shall furnish, when requested and without charge, protective outer garments as recognized by the Board, for all physical education, living skills, industrial education, and science teachers, and shall provide, without charge, laundering service these garments.
- E. The Board recognizes that appropriate texts, library reference materials, maps, globes, laboratory equipment, audio-visual equipment, art supplies, athletic equipment, current periodicals, standard texts and questionnaires, and similar materials are the tools of the teaching profession. The parties will confer from time to time for the purpose of improving the selection and use of such educational tools, new ideas, and innovations, and the Board undertakes promptly to implement all joint decisions thereon made by its representatives and the Association. If a cost shall be incurred, the Board may examine the educational tools, new ideas of innovation and act as they see fit.
- F. Teachers shall have, through their negotiation committee, the privilege of consultation with and making recommendation to the Board on policies and practices in which classroom work is detrimentally affected by excessive absenteeism or conflicts with extracurricular or co-curricular activities.
- G. The Board recognizes the need and desirability of making available for the use of school employees separate facilities such as lunchrooms, restrooms, lavatories, and lounges from those provided for students.
- H. Telephone facilities shall be made available to teachers for their reasonable use. Tolls for personal calls will be the responsibility of the individual.

ARTICLE V - VACANCIES

- A. The Association supports the concept that the District hire the most qualified applicant for an extra duty position. However, should a qualified bargaining unit member apply, the bargaining unit member shall be given preference for the position.

ARTICLE VI - LEAVES OF ABSENCE

A. **Compensated Leaves**

1. Sick leaves with compensation shall be according to ***Schedule C, Sick Leave***.
2. Absence due to injury or illness incurred in the course of the teacher's employment and covered against the teacher's sick leave days. The Board shall pay to such teacher the difference between the salary and benefits received under the Michigan Worker's Compensation Act out of the teacher's accumulated sick leave.
3. A teacher absent from work because of mumps, scarlet fever, measles, chicken pox, or head lice shall be paid and shall not be charged with loss of personal sick leave.
4. Compensated leave of absence for reasons other than illness:
 - a. Each teacher shall be allowed three (3) days of absence without loss of pay per school year. Compensation for days of absence beyond three (3) days shall be at the option of the Board. A teacher may accumulate to his/her credit, unused personal days to a maximum of five (5) days.
 - b. Funeral leave shall be allowed to a maximum of five (5) days, counting the day of death as the first day, in the event of the death of spouse, child, brother, sister, parent, or parent-in-law. This leave shall be above and beyond personal and sick leave allowances. More days may be granted at the discretion of the superintendent.
 - c. If a teacher is called for jury duty during school hours or is subpoenaed to testify during school hours in any judicial or administrative matter, or is asked by the Board to testify in any arbitration or fact finding or any matter, such teacher shall receive payment for such duty or absence equal to the difference between his/her regular daily salary and any compensation received for the duty.
5. Professional Leave Allowance and Compensation (2 days per year):
 - a. Professional leave with compensation may be allowed for those teachers who wish to observe and participate in professional visitation of other school systems and various professional development and training workshops.
 1. In addition to regular compensation, the participating teacher shall be reimbursed for his/her transportation expenses to the extent of the approved IRS mileage rate as established on Form 2106 for income tax purposes.
 2. Professional leave days shall be initially arranged between the teacher and the superintendent or designee. A written memorandum stating the dates, places, purposes, and expected gains shall be submitted to the superintendent for the information of the Board.
 3. A post visitation memorandum report shall be submitted by the teacher upon request to the superintendent or designee.
 4. If a visitation privilege has been abused, the Board may recover compensation and reimbursement costs by an assessment of the future salary payments due the teacher involved. Professional leave days shall not be considered as personal leave

days and therefore shall not be deducted from the annual personal leave day allowance or accumulation.

6. At the beginning of every school year, the Association shall be credited with ten (10) days to be used by all teachers for official Association business, such use to be at the discretion of the Association. The Association will notify the Board no less than forty-eight (48) hours in advance of taking such leave. The salaries for the substitute teachers for the first day shall be paid by the Association; for the second day by the Board; with continuous alternation of payment for the remainder of the ten (10) days.

B. Non-Compensated Leaves

1. A leave of absence up to one (1) year shall be granted without pay for health as recommended by a physician or to enable a teacher to attend a college or university to better the teacher in his/her profession (or acquire vocational certification). Qualification for such educational leave demands that the individual be a full-time graduate student.
2. Maternity leave shall be granted as requested without pay beginning on a date requested by the individual. Such leave will terminate at the beginning of a pre-determined semester. (Either the 1st or 2nd following the beginning of the leave). A third semester shall be used if requested if the leave of two (2) semesters results in less than a calendar year leave of absence. A maximum of one (1) year of experience on the salary scale will be granted a person upon return from maternity leave, provided that the teacher has been on leave for at least one (1) calendar year.
3. Following three (3) years of employment, with the district, a leave of absence of one (1) year may be granted without pay to any teacher who makes such a request. After five (5) years in the district, two (2) years of leave will be available. The teacher must notify the Board in writing by May 1 of the year of the leave of absence of his/her return. Failure to give proper notification by this date automatically means that the teacher has resigned from the district. Requests for an extension must be submitted in writing thirty (30) days prior to the May 1 date. The Board shall then decide if an extension shall be granted.
4. In an event that a teacher, with a minimum of five years of experience, has used all of their personal and comp days, the teacher may request additional days. The days may be granted at the discretion of the Superintendent/Designee. Staff must submit a request at least one week prior to the requested day (s). These days may not be used within the first or last two weeks of school. The teacher will be deducted, cost of the sub, from their next pay period. The Superintendent/Designee will have the discretion of how many staff are granted these days on any given day.

ARTICLE VII - PROTECTION OF TEACHERS

- A. The Board recognizes that the teacher's authority and effectiveness in his/her classroom is undermined when students discover that there is insufficient administrative backing and support of the teacher.
- B. Any case of assault upon a teacher while performing his/her duties shall be promptly reported to the Board or its designated representative. The Board will provide legal counsel to advise the teacher of his/her rights and obligations as to such assault and with handling of the incident by law enforcing and judicial authority. The teacher will grant subrogation claims to the Board for compensation under the Teacher's MEA liability protection.
- C. Personnel files will be subject to the Bullard-Plawecki "Employee Right-to-Know Act" with notification made to the employee of non-disciplinary entries to the file.
- D. Each teacher shall have the right, upon request, to review the contents fo his/her own personnel file with the exception of recognized confidential information, such as: placement office recommendation, and recommendations prior to employment. A representative of the Association may accompany the teacher in such review.
- E. Teachers shall be expected to exercise reasonable care with respect to the safety of students and property, but shall not be individually liable, except in the case of negligence or neglect of duty, for any damage or loss to person or property.

ARTICLE IX - NEGOTIATION PROCEDURES

- A. Matters not specifically covered by this Agreement, but of concern to the parties, shall be subject to professional negotiations between them from time to time during the period of this Agreement upon agreement to do so by both parties, unless these matters involve a prohibited or illegal bargaining subject. The parties undertake to cooperate in arranging meetings, selecting representatives for such discussions, furnishing necessary information and otherwise constructively considering and resolving any such matters.
- B. At the request of either party, at least sixty (60) days prior to the expiration of the Agreement, the parties shall begin negotiations for a new Agreement covering wages, hours, terms, and conditions of employment of teachers employed by the Board.
- C. In any negotiations described in this article, neither party shall have any control over the selection of the negotiating or bargaining representatives from within or outside the school district. It is recognized that no final agreement between the parties may be executed without ratification by the Board and the Association. The parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions, subject only to such ultimate ratification.
- D. If the parties fail to reach an agreement in any such negotiations, either party may invoke the mediation machinery of the Michigan Employment Relations Commission or take any other lawful measures it may deem appropriate.

ARTICLE X - PROFESSIONAL GRIEVANCE PROCEDURE

- A. A claim by a teacher or the Association that there has been a violation, misrepresentation, or misapplication of any provision of this Agreement may be processed as a grievance as hereinafter provided.

 - a. The termination of services of or failure to re-employ any probationary teacher.
 - b. The termination of any teacher to a position on the extracurricular scale.
- B. In the event that a teacher believes there is a basis for a grievance, he/she shall first discuss the alleged grievances with his/her building principal, either personally or accompanied by his/her Association representative within five (5) days of becoming aware of the alleged incident.

If, as a result of the informal discussions with the building principal, a grievance still exists, he/she may, within five (5) work days, set forth the grievance on a form, signed by the grievant and a representative of the Association. A copy of the grievance form shall be delivered to the principal. If the grievance involves more than one (1) school building, it may be filed with the superintendent or designee.
- D. Within five (5) calendar days of receipt of the grievance, the principal shall meet with the Association in an effort to resolve the grievance. The principal shall indicate his/her disposition of the grievance in writing within five (5) calendar days of such meeting, and shall furnish a copy thereof to the Association.
- E. If the Association is not satisfied with the disposition of the grievance, or if no disposition has been made within five (5) calendar days of such meeting (or ten (10) calendar days from the date of filing, whichever shall be later), the grievance shall be transmitted to the superintendent or designee who shall meet with the Association on the grievance and shall indicate his/her disposition of the grievance in writing within five (5) calendar days of such meeting, and shall furnish a copy thereof to the Association.
- F. If the Association is not satisfied with the disposition of the grievance by the superintendent or designee, or if no disposition has been made within five (5) work days of such meeting (or ten (10) work days from the date of filing with the Superintendent, whichever is later), the grievance shall be transmitted to the Board by filing a written copy thereof with the Secretary or other designee of the Board. The Board, no later than its next regular meeting or two (2) weeks, whichever is later, shall meet with the Association on the grievance. Disposition of the grievance in writing by the Board shall be made no later than seven (7) work days thereafter. A copy of such disposition shall be furnished to the Association.
- G. If the Association is not satisfied with the disposition of the grievance by the Board, or if no disposition has been made within the period above provided, the grievance may be submitted to arbitration before an impartial arbitrator by written notice to that effect from the Association to the Board within seven (7) calendar days. The arbitrator shall be selected by the American Arbitration Association in accord with its rules which shall likewise govern the

arbitration proceeding. The Board and the Association shall not be permitted to assert in such arbitration proceeding any ground or to rely on any evidence not previously disclosed to the other party. The arbitrator shall have no power to alter, add to, or subtract from the terms of this Agreement. Both parties will be bound by the award of the arbitrator and agree that judgment thereon may be entered in any court of competent jurisdiction. The arbitrator shall have no authority to issue a decision on the merits of a prohibited or illegal bargaining subject.

- H. The fees and expenses of the arbitrator shall be shared equally by the parties.
- I. The time limits provided in the Article shall be strictly observed but may be extended by written agreement of the parties. In the event a grievance is filed after May 15th of any year and strict adherence to the time limits may result in hardship to any party, the Board shall use its best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible.
- J. Notwithstanding the expiration of this Agreement, any claim or grievance arising hereunder may be processed through the grievance procedure until resolution.

ARTICLE XI - MISCELLANEOUS

- A. Teachers shall be informed of a contact, before 7:00 a.m. to report unavailability, and it shall be the responsibility of the administration to arrange for a substitute teacher.
