The Ewen-Trout Creek School District/ Michigan Merit Curriculum requires that the student earn credits in the subject areas listed below in order to graduate from high school. Credits are earned when the student passes courses to demonstrate competencies in content expectations in the given subject area. The law allows certain modifications of these requirements through the development of a personal curriculum. A Personal Curriculum Committee will meet to discuss requested modifications if the request is approved.

Please attach copy of most recent Education Development Plan (EDP) (can be printed from Career Cruising)
