### Appointments

Children will be excused for doctor or dental appointments on written request of parents. Please send a note to your child's teacher to let us know that you will be taking your child out of school. We urge, however, that an attempt be made to schedule these appointments when school is not in session. Students will not be excused for appointments such as private music lessons etc. Please have your child bring a note to the office upon return to school from any appointment.

### The Community Youth Enrichment Team (C-YET)

The C-YET was established to draw parents, teachers, students, and community members together to support and provide activities and resources which will enrich the students' school experience. The activities and resources serve students in grades K-12 throughout the year. The group meets periodically throughout the school year in the elementary wing of the E-TC School.

### McKinney-Vento Homelessness Act and District Liaison

The McKinney-Vento program is designed to address the problems that homeless children and youth have faced in enrolling, attending, and succeeding in school. The district liaison is Mrs. Sandra Maki. She can be contacted by calling 906-813-0620 or by email: [smaki@etc.k12.mi.us](mailto:smaki@etc.k12.mi.us).

### Buses

If, for some reason, your child must ride a bus to a friend or relative's home, **a written request, signed by the parent, must be brought to the child's teacher for approval.** The teacher will not write a permission slip for the bus driver unless the student has written permission from their parent/guardian.

## **Classroom Policies**

Policies are established to ensure the safety of each child within the school. Below is a list of rules which students will be expected to adhere to:

1. Students are not permitted to run in the room or hallways.
2. Students will not chew gum unless permitted to do so by their classroom teacher.
3. Food and drink will be permitted in the cafeteria only, unless permitted by their classroom teacher.
4. Students will not engage in activities which will cause injury or damage to themselves or their classmates.
5. If a student is removed from the classroom because of behavior problems, the student will call their parent/guardian to explain why they have been removed.
6. Homework policies will be determined by the individual classroom teacher.
7. Additional classroom rules will be established by each classroom teacher.

## **Destruction of Property**

The cost of damage resulting from the malicious destruction of property will be paid by the parent/guardian of the children responsible for the damage. Such damage could include writing/scratching on walls, desks or other surfaces. When a book is lost or destroyed, the child responsible will be required to make restitution for the amount as determined by the administration. This amount is determined by the age of the book and the amount of abuse received.

## **Dress and Social Policy**

Proper student attire for school is the responsibility of the student and his/her parents or guardians. However, students are to wear clothing appropriate for school. Clothing with suggestive or degrading pictures or phrases is not appropriate. Tattered or torn clothing exposing the child's skin to the elements will be replaced. Hats are not to be worn in the building by either male or female unless by permission of their classroom teacher, and should be removed upon entrance into the building.

## **Field Trips**

All students must have signed permission slips to participate in field trips. Notices will be sent home with information concerning all scheduled field trips. If parents have questions, they should call the school and talk with the respective teacher.

## **Free Breakfast/Lunch**

A nutritious breakfast and lunch are available to all students on a daily basis. Breakfast and lunch will be offered to ALL students in Kindergarten through 12th grade in the Ewen-Trout Creek School District FREE of charge. Parents must complete the "Household Survey" in order for the district to continue the free breakfast and lunch program. Students who choose to carry their lunch may purchase milk in the lunchroom for \$0.65

## **Inclement Weather**

In the event of extremely cold or stormy weather, school may either start late, or be canceled for that day. The Ewen-Trout Creek School District uses an information system that will alert parents/guardians by telephone and e-mail. For this reason, it is very important that your current telephone number as well as your e-mail address be listed on the Student Information Sheet included in this Handbook. The School District will inform local radio/television stations as has been done in the past as well. If the weather worsens after the start of the school day, school may be dismissed early. Again, this would be announced through our information system and on the local radio/television stations. Students are generally kept indoors for their scheduled recess periods in the event of extreme cold and or stormy days.

## **Lockers (Grades 3 - 6)**

Lockers assigned to students are the property of the Ewen-Trout Creek School District and at no time does the district give up the control of lockers. If the locker is damaged in any way during the school year, report this damage ***immediately*** to the classroom teacher. If damage is not reported, the student to whom the locker was assigned will be held accountable. **Students are not to share lockers with friends and should be careful not to let other students know their combinations.** Locker inspections will be conducted each quarter or could be called at any time. Refrain from using tape and adhesive decals that could damage paint and avoid defacing lockers. (Magnets are be permitted on lockers)

## **Marked Clothes**

Please mark your children's belongings, preferably with permanent marker, so that they can be easily identified should they be misplaced.

## **Parent/Teacher Conferences**

The Ewen-Trout Creek School District holds a parent/teacher conference and one open house each school year. The parent/teacher conference is scheduled in the fall, at which time the teachers and parents review the student's academic progress, and hand out report cards. The purpose of these parent/teacher conferences is to have the opportunity for communication between the school and home. Conferences, other than those scheduled by the school, can be arranged by teachers and parents.

If you have any questions about your child's progress at any time during the school year, feel free to contact the respective teacher to schedule a meeting.

## **Personal Belongings**

Personal items such as toys, electronic games, tape/CD players, iPods, cell phones, etc are not permitted in school unless the student's teacher, the Principal or Superintendent grants permission. If such permission is granted, the student must keep such belongings in their locker until the end of the day. The school is not responsible for lost, damaged, or stolen items.

## **Recess**

Students generally benefit from a recess period. We expect every student to go to recess unless a health condition prohibits. A doctor's note is necessary to excuse a student from participating in recess. Proper behavior during recess is expected of students.

## School Attendance

Every effort should be made by parents to see that their child is in school each day that school is in session. It is critical to a child's success in school that habits of regular attendance begin in the kindergarten and continue throughout their school years. Our instructional program includes a series of skills beginning in kindergarten that is built on at each grade level thereafter. It is very difficult to satisfactorily make up work missed by absences since a great many of the skills are learned in large or small groups with active participation and discussion between students and teachers.

1. Students will be allowed twelve (12) days per school year with their parent/guardian's written excuses. Students will be required to make up any school work. Students will have the number of days missed, plus one additional day to complete all make-up work. If a student misses a class more than twelve (12) times, without a doctor's written excuse, an excuse because of a death in the family, an approved Vacation Form, the student may be considered truant and sanctioned for excessive absence.
2. Absences due to reasons such as needed at home, hunting, fishing, ill, shopping, out of town, babysitting, overslept, in court, car broke down, personal reasons, etc, **will be counted in the twelve (12) days allowed per school year.** Absences due to skipping school **will** be counted in the 12 days allowed. Students will be referred to the School Success Coach after four absences.
3. All school required and/or approved absences **will not** be counted in the twelve (12) days allowed per school year. ***(Examples of these absences would include early dismissals, field trips, extra curricular activities for particular groups such as sports, debate teams, band members, students who travel to interviews, looking at colleges/universities as well as approved appointments with the various counselors and representatives of the courts who periodically visit the school campus. All of the before mentioned absences must be with the approval of the Principal, Superintendent or Counselor's Office)***
4. Doctor/Dentist/Counseling/Physical Therapy appointments **will not** be counted in the twelve days, providing the student turns in to the school office an excuse slip for the appointment.
5. Vacations **will** count against the student's twelve (12) days.
6. Teachers will each keep attendance records on their respective students through the school's computer system as well as their attendance book. Doctor slips as well as all written excuses will be kept on file in the Principal's Office. Teachers may compare their records with the office records on their classroom computer or by direct contact with the office at anytime.

**PLEASE NOTE...A written excuse should be sent to the child's teacher when the child returns to school. This excuse must be written, signed and dated by a parent/guardian or by the health care provider. Students who arrive late to school should report directly to their classroom.**

## Student Illness

If a child becomes ill at school, he or she will be sent home **ONLY** after contacting a parent or the person who is listed on their student information form.

## Supplies

Textbooks, workbooks, and some supplies will be provided for the children by the school district as well as through donations from our community. Students may be asked to help provide some supplies that are not available. Each class will be given a note to take home to their parents if they are required to provide any supplies themselves.

## Vacations

If, at some time during the school year, you plan on taking your child out of school for a vacation, please notify the school in advance so that the teacher can make proper arrangements for work to be made up.

## Telephone Use

Students will be permitted to use the office or classroom telephone to make calls for illness or school related business. Approval must always be granted by the classroom teacher or other authorized personnel.

## Philosophy of Discipline

*It is the belief of the district that discipline is an important part of what students should learn at home and in school. There are two purposes for discipline -*

1. To make school a pleasant, neat, orderly and safe place for students to learn

## Bus Rules for the Ewen-Trout Creek Consolidated School District

Severe cases of misbehavior may result in the immediate temporary or permanent suspension of bus privileges

The following rules and regulations have been established by the Ewen-Trout Creek Board of Education to ensure the safety of all students and staff members while riding the school bus or any other mode of transportation provided by the district:

1. Be on time. The driver has a strict schedule to follow and cannot wait.

**Ewen-Trout Creek Consolidated School District  
Policy for Drug Free Schools**

The Ewen-Trout Creek School District Board Of Education is concerned with and for the safety of its employees and students. The Board understands the necessity of a healthy work environment in order to successfully accomplish its mandate to provide education to the students of the school district and the need to maintain employee productivity. Accordingly, it is the policy of the board of Education to maintain a "Drug and/or Alcohol" free work place for all employees and students.

It is further the policy of the School District that unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance and/or alcohol is prohibited on all premises on which School District programs or related activities are conducted or located or at which any employee of the School District is performing his/her responsibilities.

The Ewen-Trout Creek School District Board Of Education hereby established a Substance Abuse Prevention Program for the District's employees and students inclusive. The board will create, maintain, and enhance (when applicable) a Student Assistance Program and Employee Assistance Plan in full compliance with PL100-890 and PL 101-226. Further, the Superintendent of the district may employ the services of a professional organization to establish and operate the aforementioned services.

## **Responsibility**

The Board Of Education hereby delegates to its Superintendent the responsibility to oversee and implement the requirements of this policy. The Superintendent is charged with the responsibility of making a good faith effort to maintain a "Drug/Alcohol/Tobacco" free workplace through the implementation of this policy.

The use, possession and/or sale of alcohol, drugs, and tobacco is not permitted by any person anywhere on school premises (including a student's car in the school parking lot) or at school sponsored activities. Those who violate the alcohol/drug/tobacco rule will receive a suspension/expulsion from school with the length of time to be determined by the severity of the offence.

The student is also suspended from any extra-curricular activities held during the suspension period. The student must agree to a drug-alcohol evaluation before returning to school after any suspension. Any alcohol, drugs or tobacco will be confiscated from the individual in position as a violation of the school code and State Law. ## **Sexual Harassment**

The Ewen-Trout Creek School District will not tolerate sexual harassment in any form, neither by employee to employer, student to student, employee to student, or student to employee.

A complete policy on sexual harassment is available in the Superintendent's Office upon request. Any suspect sexual harassment would be reported immediately to an administrator in the school system.

Examples of sexual harassment include but are not limited to: comments, gestures, actions, or attention that is intended to hurt, offend, or intimidate another person. With sexual harassment, the focus is on things like a person's appearance, body parts, sexual orientation, or sexual activity. Sometimes sexual harassment can even get physical when someone tries to kiss or touch someone that does not want to be touched.

Incidents should be reported to the Principal or Superintendent immediately.

## **Weapons**

**In order to provide a safe learning environment for all children, our schools must be weapon-free.**

- A. Michigan law requires the Board of Education to expel a student for possession of a dangerous weapon on school property or in a school vehicle. Michigan law defines a dangerous weapon as a firearm, dagger, dirk, stiletto, knife with a blade over three inches in length, a knife opened by mechanical device [regardless of blade length] iron bar, or brass knuckles.

- B. As a matter of School District policy, the Board of Education may also exercise its discretion to expel a student for possession of an object on school property or in a school vehicle, which may be used to cause or threaten harm to others. Examples of such objects include, but are not limited to: BB gun, pellet gun, look-alike gun, knife with a blade three inches or less in length, razor blade, box cutter, chains, nun chucks, mace, pepper spray, etc.

School officials will immediately contact the student's parent/legal guardian and local law enforcement officials in the event a student is found in possession of a dangerous weapon or an object which may be used to cause or threaten harm to others.

### **Possession, Sale or Use of Alcohol or Drugs**

The use, possession and/or sale of alcohol, drugs, vaping devices, and tobacco will not be permitted by any student or adult at anytime, anywhere on school premises (including a student's car in the school parking lot) or at school-sponsored activities. If a student violates said drug rule they will receive a suspension with the length of time suspended to be determined by the severity of the offense. Should there be a second offense, the student will then be referred to the Board of Education. The student is also suspended from any extra curricular activity held during the suspension period, and is not permitted to be on school property during this time. The student must agree to a drug-alcohol assessment and recommended counseling as determined by the assessment and initial interview by a certified drug and alcohol counselor before returning to school after any suspension. Any alcohol, drugs, or tobacco found will be confiscated as a violation of the school code and State Law.

School officials have the obligation to inform law enforcement authorities which may lead to the arrest of a student in violation of State Law. Any student attending school sponsored functions, whether it is classes, dances or other events, either on or off school property, while under the influence of alcohol or drugs, shall be suspended from school and all school activities. The above rules apply to all students regardless of age.

### **ANTI-BULLYING/INTIMIDATION POLICY**

Bullying constitutes inappropriate conduct that is detrimental to the learning process and the establishment of a safe and fear-free school environment.
